OKLAHOMA ACADEMY OF INTEGRATED CARE

Sponsored in part by a grant from Telligen Community Initiative
Facilitated by the OU Department of Medical Informatics

THE OKLAHOMA ACADEMY OF INTEGRATED CARE CONFERENCE

will feature speakers with qualified experience in Integrated Care models and a keynote speaker who is nationally known for his work in Collaborative Care. The two-day conference will offer two tracks focusing specifically on pediatric and adult practices to target the specific needs of our participants. It will also feature an “Integrated Care” workshop where participants will be able to participate in a hands on activity simulating the work done in the Collaborative Care Model, an evidenced based model with over 77 randomized control trials showing effectiveness in treatment. Additionally, Oklahoma Health Home agencies will be present to educate providers of their services, as well as networking with providers in the area.
