Structural/Interventional Echocardiography and Mitral Transcatheter Edge-to-Edge Repair (mTEER) in 2026: New Guidelines, New Technology, New Opportunities

Presented by:

Perry Wengrofsky, MD, FACC

Assistant Professor of Medicine
Hackensack Meridian School of Medicine
Director, Structural / Interventional Echocardiography
Hackensack University Medical Center
Hackensack, NJ

Learning Objectives: Upon completion of this session, participants will improve their competence and performance by being able to:

1. Describe workflows of echocardiographic analysis and performance for assessment of mitral regurgitation severity and mTEER candidacy
2. Review the 2026 American Society of Echocardiography guidelines on intraprocedural imaging for mTEER
3. Understand important advancements in structural / interventional echocardiographic technology

Accreditation Statement: The University of Oklahoma College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Oklahoma College of Medicine designates this live activity for a maximum of .75 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
