20TH ANNUAL PRIMARY CARE UPDATE

GENERAL OBJECTIVES:

Upon completion of this conference, participants will improve their competence and performance by being able to:

- **Identify** the new diagnostic modalities and the rationale for selection of those that are appropriate for each patient.
- **Assess** commonly over-looked diagnostic evidence in primary care.
- **Defend** the rationale for the selection of different therapies based upon currently available, evidence-based information and individual patient consideration.
- **Classify** the use of new medications, recommended uses, unique characteristics, side effects, interactions, dosage and costs as well as other considerations.

PRIMARY CARE UPDATE MAY 2-6, 2017

COURSE DESCRIPTION: This intensive five-day course includes a review and update on major subject areas in family medicine. The course is taught by more than 40 faculty members selected for their expertise in areas related to the successful delivery of family health care and patient outcomes.

The University of Oklahoma College of Medicine faculty is nationally recognized for their expertise in the management of complex conditions that is unavailable elsewhere in the state, region or sometimes even the nation.

This is a very fast-paced course with most speakers utilizing an audience response system, which provides participants with immediate feedback of their knowledge and the opportunity to reinforce comprehension and retention of key learning objectives. Each session will include time for questions and answers. The course combines best-practice strategies and education through case studies and lectures. More than 800 pages of syllabus materials are provided online as a resource for today's office practice.

COURSE PURPOSE: The purpose of this educational activity is to improve the care of patients seen in primary care settings by closing common clinical practice gaps that have been identified across the country.

INTENDED AUDIENCE AND SCOPE OF PRACTICE:

This activity is intended for family physicians, general internists, physician assistants, advanced practice nurses and other health care professionals who provide primary care to patients.

This activity was developed for participants with a scope of practice that includes and provides comprehensive medical care, health maintenance and preventive services to adult patients. It also includes the appropriate use of consultants, health services and community resources, in all practice settings.

ACKNOWLEDGEMENT OF COMMERCIAL AND IN-KIND SUPPORT:

Commercial support is financial, or in-kind, contributions given by a commercial interest, which is used to pay all or part of the costs of a CME activity. A **commercial interest** is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients.

Appropriate acknowledgement of all commercial and in-kind support will be given at the time of the educational activity.

OPTIONAL HARD COPY SYLLABUS: The complete syllabus is available online for no additional fee. If you wish to have a hard copy of the syllabus, there is an additional charge of \$60. To order, mark the box on page 10.

DISCLAIMER STATEMENT: Statements, opinions and results of studies contained in the program are those of the presenters and authors and do not reflect the policy or position of the Board of Regents of the University of Oklahoma ("OU") nor does OU provide any warranty as to their accuracy or reliability.

Every reasonable effort has been made to faithfully reproduce the presentations and material as submitted. However, no responsibility is assumed by OU for any claims, injury and/or damage to persons or property from any cause, including negligence or otherwise, or from any use or operation of any methods, products, instruments or ideas contained in the material herein.

POLICY ON FACULTY AND PRESENTERS

DISCLOSURE: It is the policy of the University of Oklahoma College of Medicine that the faculty and presenters disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). Detailed disclosures will be made in the course handout materials.

ACCOMMODATION STATEMENT: Accommodations are available by contacting Jan Quayle at (405) 271-2350, ext. 8, or jan-quayle@ouhsc.edu.

It is difficult to provide a classroom temperature that is comfortable for everyone; please bring a jacket or sweater.

NONDISCRIMINATION STATEMENT:

The University of Oklahoma, in compliance with all applicable federal and state laws and regulations does not discriminate on the basis of race, color, national origin, sex, sexual orientation, genetic information, gender identity, gender expression, age, religion, disability, political beliefs, or status as a veteran in any of its policies, practices, or procedures. This includes, but is not limited to: admissions, employment, financial aid, and educational services. The University of Oklahoma is an equal opportunity institution. www.ou.edu/eoo.

ACGME COMPETENCIES

This course is designed to meet the following Accreditation Council for Graduate Medical Education competencies:

- ✓ Patient care
- ✓ Medical knowledge
- ✓ Practice-based learning/improvement
- ✓ Professionalism
- ✓ Systems-based practice
- ✓ Interpersonal communication skills

PLANNING COMMITTEE MEMBERS:

Steven Crawford, M.D., OU College of Medicine, Department of Family & Preventive Medicine, Course Director

Rachel Franklin, M.D., OU College of Medicine, Department of Family & Preventive Medicine

Myrna Rae Page, M.P.H., C.H.E.S., OU College of Medicine, Office of Continuing Professional Development

Jan Quayle, B.S., OU College of Medicine, Office of Continuing Professional Development

Robert Salinas, M.D., OU College of Medicine, Department of Family & Preventive Medicine, Assistant Course Director

Chittur Sivaram, M.D., OU College of Medicine, Department of Internal Medicine/Cardiovascular Diseases

Elizabeth Wickersham, M.D., OU College of Medicine, Department of Family & Preventive Medicine

ACCREDITATION: The University of Oklahoma College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCM) to provide continuing medical education for physicians.

The University of Oklahoma College of Medicine designates this live activity for a maximum of 50.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CONFLICT RESOLUTION: The University of Oklahoma College of Medicine, Office of Continuing Professional Development has reviewed this activity's speaker and planning committee disclosures and resolved all identified conflicts of interest, if applicable.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

PLICO/MEDPRO INSURED PHYSICIANS: This program qualifies for partial credit toward the requirements for your Risk Management premium credit upon renewal.

OPTIONAL PROGRAMS

TUESDAY, MAY 2, 2017

CONCURRENT EVENING SESSIONS: *Credits will be provided separately.*

6:30-9:45 p.m. The Flipped Classroom Workshop for Electrocardiogram (EKG) Interpretation

Speaker: Chittur Sivaram, M.D. *Requires an additional registration fee.*

The Flipped Classroom Workshop for EKG Interpretation is aimed at improving EKG skills of the primary care provider. This workshop will use the flipped classroom format of instruction to provide a rapid review of the basics of EKG reading and examples of common abnormalities seen by the primary care provider to facilitate the acquisition and consolidation of skills through test questions. This course is recommended only for those with a working knowledge of EKG basics and those who would like to refresh their existing knowledge and expand their EKG skills. Review of material by the attendees prior to the workshop will be required. (3.00 AMA PRA Category 1 Credits™)

- OR - 6:30-9:45 p.m. Improving X-Ray Interpretation Skills for the Primary Care Physician

Speaker: Jason Wagner, M.D. *Requires an additional registration fee.*

Radiographs are a very useful and important tool for primary care physicians to use in assessing and diagnosing patients. This hands-on workshop will improve the participants ability to interpret radiographs of the chest, extremities, spine, abdomen and sinuses; distinguish and evaluate when to order advanced imaging tests based on radiographic findings and which test is most appropriate; and interpret radiographs with an orderly search pattern to improve diagnostic accuracy and reduce errors. This workshop will increase your confidence and skills by improving your use of diagnostic imaging. (3.00 AMA PRA Category 1 Credits™)

WEDNESDAY, MAY 3, 2017

CONCURRENT EVENING SESSIONS: *Credits will be provided separately.*

6:30-8:30 p.m. Palliative Care Part I: Pain and Symptoms

Management for Patients Facing a Serious Illness. *This evening program is included in the Primary Care price. There is a \$25 fee to attend only the evening program.*

Speaker: Peter Winn, M.D.

This workshop will cover pain management, including symptoms, nausea, vomiting, obstruction, fatigue, and depression will also be discussed. The second-half of this workshop will cover oncologic emergencies, including malignant effusion, malignant bowel obstruction, hypercalcemia and deep venous thrombosis. (2.00 AMA PRA Category 1 Credits™)

6:30-9:45 p.m. The Basics of Skin Biopsy and Excision: A Hands-On Experience *Limited Enrollment – 30 Participants* *Requires an additional registration fee.*

Speaker: Thomas Stasko, M.D.

This workshop is intended for primary care providers who want to enhance their diagnostic and treatment skills regarding commonly encountered skin lesions in the office setting. This will be a practical session with simulated skin used to demonstrate and practice biopsy, excision and suturing techniques. Short didactic talks regarding diagnosis and treatment will be followed by practice on the simulated skin model. (3.00 AMA PRA Category 1 Credits™)

- OR - 6:30-8:30 p.m. Casting and Splinting Workshop *Limited Enrollment – 30 Participants*

Speaker: James Barrett, M.D. *Requires an additional registration fee.*

An overview of splinting and casting procedures for primary care physicians. The workshop will cover acute injuries and treatments as well as appropriate splints and casts needed for specific injuries. Then hands-on practice placing the splints and casts on fellow workshop participants. (2.00 AMA PRA Category 1 Credits™)

Complete Primary Care Update Course Syllabus Online for no additional fee

If you wish to have a hard copy of the syllabus, there is an additional charge of \$60. To order, mark the box on page 10.

Daily Total is 8.00 AMA PRA Category 1 Credits™

EVENING PROGRAM

6:30-8:15 p.m. **Geriatrics as a Team Sport: Inter-Professional Care Paradigm**

Speakers: Carrie Ciro, Ph.D.; Andrew Dentino, M.D.; Roberto Medina, M.D.;
Cyndy Robinson, Ph.D.; Kristen Sorocco, Ph.D.

(1.50 AMA PRA Category 1 Credits™)

*This evening program is included in the one-day Geriatric Medicine Update price.
There is a \$25 fee to attend only the evening program.*

This workshop addresses the need for those treating patients to coordinate care and to comprehend the holistic nature of treating older adults through inter-professional competencies of primary care medicine, geropsychology, and physical therapy.

COURSE GOAL: To improve clinical competencies in primary care providers to improve the management of older patients.

GERIATRIC MEDICINE COURSE DESCRIPTION:

This course is designed to address the unmet educational needs of primary care physicians who have a diverse case mix that includes older adults. Local and invited physician faculty have national recognition for their expertise in chronic disease management.

This is an intense course with presentations lasting 60 minutes each. Use of an audience response system allows immediate feedback regarding CME test questions. Each session will include time for questions and answers. The course combines best practice strategies and education through case studies and lectures. A full syllabus of educational materials will be provided online as a resource for today's primary care practice office.

COURSE OBJECTIVES: Upon completion of this conference, participants will improve their competence and performance by being able to:

- revise health care practitioners' knowledge of totality of care in primary care settings for the older adult and
- apply best-practices regarding older adult health in primary care settings.

ACKNOWLEDGEMENT OF COMMERCIAL AND IN-KIND SUPPORT:

Commercial support is financial, or in-kind, contributions given by a commercial interest, which is used to pay all or part of the costs of a CME activity. A **commercial interest** is any entity producing, marketing, reselling, or distributing health care goods or services consumed by, or used on, patients.

Appropriate acknowledgement of all commercial and in-kind support will be given at the time of the educational activity.

POLICY ON FACULTY AND PRESENTERS DISCLOSURE: It is the policy of the University of Oklahoma College of Medicine that the faculty and presenters disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). Detailed disclosures will be made in the online course materials.

SECURITY: The hotel does not provide security in the meeting and function space and all personal property left in the meeting or function space is at the sole risk of the owner.

NONDISCRIMINATION STATEMENT: The University of Oklahoma, in compliance with all applicable federal and state laws and regulations does not discriminate on the basis of race, color, national origin, sex, sexual orientation, genetic information, gender identity, gender expression, age, religion, disability, political beliefs, or status as a veteran in any of its policies, practices, or procedures. This includes, but is not limited to: admissions, employment, financial aid, and educational services. The University of Oklahoma is an equal opportunity institution. www.ou.edu/eoo.

ACCOMMODATION STATEMENT: Accommodations are available by contacting Keith Kleszynski at (405) 271-8558 or keith-kleszynski@ouhsc.edu as soon as possible.

It is difficult to provide a classroom temperature that is comfortable for everyone; please bring a jacket or sweater.

PRIMARY CARE UPDATE OPTIONAL EVENING PROGRAMS:

MONDAY, MAY 1, 2017 6:30–8:15 p.m.

- **Geriatrics as a Team Sport: Inter-Professional Care Paradigm**
Speakers: Carrie Ciro, Ph.D.; Andrew Dentino, M.D.; Roberto Medina, M.D.; Cyndy Robinson, Ph.D.; Kristen Sorocco, Ph.D.

ONE STOP SHOP

The OU Continuing Professional Development office has a new system for registering for conferences, signing in, completing your evaluation and receiving your CME certificate. It's called CloudCME, a web-based system that keeps track of all of your CME credits you've received from the OU CPD office.

Our Website Address:

cme.ouhsc.edu

Follow the instructions on the website to log in or create your account.

Online Syllabus

The complete syllabus for the 20th Annual Primary Care Update and the 16th Geriatric Medicine Update will be available online through CloudCME approximately two days before the start of the conference. You can print a copy to bring with you or access it at the conference on your laptop, smartphone or tablet. You can also order a hard copy of the complete syllabus for each program. The cost for the 16th Geriatric Medicine Update is \$25. The cost for the 20th Annual Primary Care Update is \$60.

No More Sign-In Sheets

Attendance at the 20th Annual Primary Care Update and the 16th Geriatric Medicine Update will be taken by texting a code using your phone. Specific instructions will be provided at the conference.

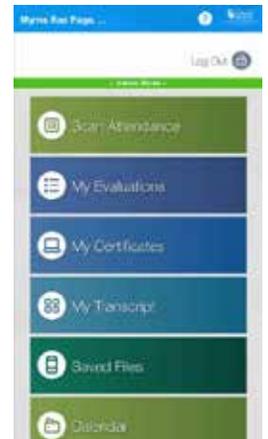

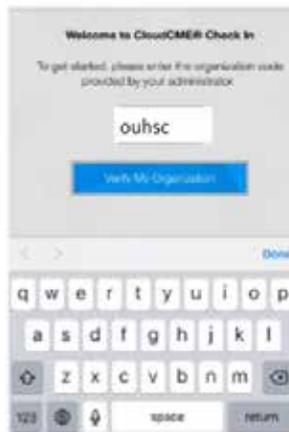

CloudCME App

There's an App for that!

Use your smart phone to record your attendance, complete your evaluations and view your CME records!

1. Search your App store for **CloudCME**
2. Download the App

The organization code is **ouhsc**
