COURSE GOAL: To improve clinical competencies in primary care providers to improve the management of older patients.

GERIATRIC MEDICINE COURSE DESCRIPTION:

This course is designed to address the unmet educational needs of primary care physicians who have a diverse case mix that includes older adults. Local and invited physician faculty have national recognition for their expertise in chronic disease management.

This is a fast-paced course with presentations lasting 60 minutes each. Use of an audience response system allows immediate feedback regarding CME test questions. Each session will include time for questions and answers. The course combines best practice strategies and education through case studies and lectures. A full syllabus of educational materials will be provided online as a resource for today's primary care practice office.

COURSE OBJECTIVES: Upon completion of this conference, participants will improve their competence and performance by being able to:

- revise health care practitioners' knowledge of totality of care in primary care settings for the older adult and
- apply best-practices regarding older adult health in primary care settings.

ACKNOWLEDGEMENT OF COMMERCIAL AND IN-KIND SUPPORT:

Commercial support is financial, or in-kind, contributions given by a commercial interest, which is used to pay all or part of the costs of a CME activity. A **commercial interest** is any entity producing, marketing, reselling, or distributing health care goods or services consumed by, or used on, patients.

Appropriate acknowledgement of all commercial and in-kind support will be given at the time of the educational activity.

POLICY ON FACULTY AND PRESENTERS DISCLOSURE: It is the policy of the University of Oklahoma College of Medicine that the faculty and presenters disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). Detailed disclosures will be made in the online course materials.

SECURITY: The hotel does not provide security in the meeting and function space and all personal property left in the meeting or function is at the sole risk of the owner.

NONDISCRIMINATION STATEMENT: The University of Oklahoma, in compliance with all applicable federal and state laws and regulations does not discriminate on the basis of race, color, national origin, sex, sexual orientation, genetic information, gender identity, gender expression, age, religion, disability, political beliefs, or status as a veteran in any of its policies, practices, or procedures. This includes, but is not limited to: admissions, employment, financial aid, and educational services. The University of Oklahoma is an equal opportunity institution. www.ou.edu/eoo.
