

Disclaimer Statement: Statements, opinions and results of studies contained in the program are those of the presenters and authors and do not reflect the policy or position of the Board of Regents of the University of Oklahoma ("OU") nor does OU provide any warranty as to their accuracy or reliability.

Every reasonable effort has been made to faithfully reproduce the presentations and material as submitted. However, no responsibility is assumed by OU for any claims, injury and/or damage to persons or property from any cause, including negligence or otherwise, or from any use or operation of any methods, products, instruments or ideas contained in the material herein.

Acknowledgement of Commercial and In-Kind Support:

Commercial Support is financial, or in-kind contribution given by a commercial interest, which is used to pay all or part of the costs of a CME activity.

A **commercial interest** is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by or used on patients.

This activity received no commercial or in-kind support.

Policy on Faculty and Presenters Disclosure: It is the policy of the University of Oklahoma College of Medicine that the faculty and presenters disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled or unapproved uses of drugs or devices during their presentation(s).

Planning Committee Members: Co-Course Directors: Mark Wolraich, M.D., Ami Bax, M.D.; Medical Director Laura McGuinn, M.D.; DBP Fellow, Matthew Deel, M.D.; Other members: Bonnie McBride, Ph.D.; Kecia Huff, Course Contact.

Accommodations Statement: Accommodations are available by contacting Kecia Huff at (405) 271-5700 or kecia-huff@ouhsc.edu as soon as possible.

The vision of the section of Developmental and Behavioral Pediatrics is to maximize the potential of children, particularly those with developmental disabilities or those exposed to maltreatment, by strengthening the child, family, and community through scientific discovery, advancement of evidence-based practices, and direct care.
