

Wendy Newport, MBA, MPH

Ms. Newport is the current business administrator for the University of Oklahoma Health Sciences Center Infectious Diseases Section and has held this position since 1998. She has oversight of the Ryan White program which encompasses Parts B, C and D as well as the Oklahoma site for the South Central AIDS Education and Training Center. Additional responsibilities include fiscal management of the section grants, faculty compensation, contracts and agreements as well as operations oversight including the Infectious Diseases Institute (IDI) and the new West Clinic which is a satellite of the IDI. She holds both a Master of Business Administration and a Master of Public Health from the University of Oklahoma.
