

Elizabeth T. Albert MD FACR is a Rheumatologist currently in private practice. She began her career in medicine after receiving her BA and MD degrees at Duke University and completing her residency, chief residency, and Rheumatology fellowship at the University of Oklahoma. She served on the faculty at OUHSC for 5 years where she had appointments in the Departments of Internal Medicine and Pediatrics while running the Internal Medicine/Pediatrics Residency Program and caring for both adult and pediatric Rheumatology patients. She is blessed to have been one of Dr. Morris Reichlin's Rheumatology fellows.
