

Dr. Andrew Kolodny previously served as Chief Medical Officer for Phoenix House, a national non profit addiction treatment agency and Chair of Psychiatry at Maimonides Medical Center in New York City. Dr. Kolodny has a long-standing interest in public health. He began his career working for the New York City Department of Health and Mental Hygiene in the Office of the Executive Deputy Commissioner. For New York City, he helped develop and implement multiple programs to improve the health of New Yorkers and save lives, including city-wide buprenorphine programs, naloxone overdose prevention programs and emergency room-based screening, brief intervention and referral to treatment (SBIRT) programs for drug and alcohol misuse.
