

I retired about 3 years ago after practicing pharmacy in rural, critical access hospitals for most of my career as a consultant pharmacist. I served as a board member of the Oklahoma State Board of Pharmacy for 10 years from 2005 to 2015. I graduated from Southwestern Oklahoma State University (SWOSU) in Weatherford, Oklahoma in 1967 with a B.S. degree in pharmacy. I became the Interim Executive Director of the Board in August of 2018.
