

Neurology Grand Rounds

The University of Oklahoma Health Sciences Center

"From Bedside to the Bench: ALS/FTD Connection"

Farhat Husain, M.D.
Neurology/Rehabilitation
Department of Neurology

March 21, 2017

8:00 am

Rainbolt Auditorium at Samis Education Center, 2nd Level
Children's Hospital, 1200 Children's Avenue

Commercial and In-Kind Support: This activity has received in-kind support from the State of Oklahoma – University Hospitals Authority & Trust.

Learning Objectives: Upon completion of this series, participants will improve their competence and performance by being able to:

1. Recognize the phenotypes of Amyotrophic Lateral Sclerosis (ALS) and Frontotemporal Degeneration (FTD).
2. Review common pathophysiological mechanisms of complex diseases like ALS and FTD.
3. Report some of the recent genetic advances in ALS and FTD.
4. Discover ideas for further research in Neurosciences.

Planning Committee Members:

Course Director: Shuchi Chaudhary, MD

Course Contact: Brigitte Nettles

Planning Committee: David Lee Gordon, MD

Planning Committee: Christi Pendergraft, MD

Policy on Faculty and Presenter Disclosure:

It is the policy of the University of Oklahoma College of Medicine that the faculty and presenters disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s).

Accreditation Statement:

The University of Oklahoma College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Oklahoma College of Medicine designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Conflict Resolution Statement:

The University of Oklahoma College of Medicine, Office of Continuing Professional Development has reviewed this activity's speaker and planner disclosures and resolved all identified conflicts of interest, if applicable.

Nondiscrimination Statement:

The University of Oklahoma, in compliance with all applicable federal and state laws and regulations does not discriminate on the basis of race, color, national origin, sex, sexual orientation, genetic information, gender identity, gender expression, age, religion, disability, political beliefs, or status as a veteran in any of its policies, practices, or procedures. This includes, but is not limited to: admissions, employment, financial aid, and educational services.

Accommodation Statement: For accommodations on the basis of disability, call: Brigitte Nettles Tel # 271-4113

Disclosure & Resolution Report

The University of Oklahoma College of Medicine and the Irwin H. Brown Office of Continuing Professional Development must ensure balance, independence, objectivity and scientific rigor in all its activities. We have implemented a process where everyone who is in a position to control the content of an educational activity has disclosed to us all relevant financial relationships with any commercial interest. In addition, should it be determined that a conflict of interest exists as a result of a financial relationship one may have, this will be resolved prior to the activity. This policy is designed to provide the target audience with an opportunity to review any affiliations between the CME organizers/presenters and supporting organizations for the purpose of determining the potential presence of bias or influence over educational content. The following is a summary of this activities disclosure information.

			Nature of Relevant Financial Relationship		
Role	First Name	Last Name	Commercial Interest	What was received?	For what role?
Course Director	Shuchi	Chaudhary, MD	I have no relevant financial relationships or affiliations with commercial interests to disclose.		
Course Contact	Brigitte	Nettles	I have no relevant financial relationships or affiliations with commercial interests to disclose.		
Planning Committee/ Moderator	David Lee	Gordon, MD	I have no relevant financial relationships or affiliations with commercial interests to disclose.		
Planning Committee	Christi	Pendergraft, MD	I have no relevant financial relationships or affiliations with commercial interests to disclose.		
Speaker	Farhat	Husain, MD	Biogen	PI for study – Plegridy in MS	Terminated Jan 2017

The conflict was resolved by Dr. Husain agreeing that the presentation will not include discussion of any products or services from the commercial interest and he will refrain from making clinical recommendations on topics in which the conflict exists. Dr. Husain is no longer in a financial relationship with the commercial interest, but has been during the past 12 months.
