

Dear Prospective Exhibitor,

The University of Oklahoma College of Medicine, Department of Urology, and Stephenson Cancer Center invites you to participate as an exhibitor at our upcoming **Fifth Annual Oklahoma Prostate and Urologic Cancers Symposium, on Friday, September 13, 2019, at the Samis Education Center located in the Children's Hospital.**

This is a great opportunity to showcase your organization's expertise, services and solutions to statewide attendees, including surgeons, researchers, clinicians, community activists, etc.

The Symposium will offer an updated comprehensive review of the most important advances made in cancer care taught by OUHSC and invited faculty members. The emphasis will be placed on clinical care and management of prostate cancer and other urologic cancers from diagnosis and screening to treatment.

This is a Continuing Medical Education event offering up to *5.25 AMA PRA Category 1 Credits™*.

The Stephenson Cancer Center supports your exhibit investment in a variety of ways:

- Pre-conference promotion of the conference including direct mail pieces to health care professionals in the region, email marketing to a statewide network of physicians, and website marketing
- Exhibit hours are scheduled to provide maximum visibility and exposure
- Opportunities to network with physicians at the event
- Prominent listing of your company as an exhibitor on conference materials

As an exhibitor, you demonstrate your commitment to the continuing professional development of our attendees and their professional practice.

The staff and faculty of the University of Oklahoma, Stephenson Cancer Center hope that our conference will prove to be a beneficial expenditure for your company. We look forward to your participation in this conference.

Please see the enclosed documents for information about exhibit space and pricing, registration deadlines, and other important information. Please do not hesitate to contact our offices at (405) 271-6966, ext. 46102 if you have any questions or comments.

Sincerely,

Holly Weldon
Program Coordinator
Senior Administrative Assistant
Department of Urology
The University of Oklahoma Health Sciences Center
