## “Ophthalmology Case Review”

-----  
Presented by:

**Jessica Hsueh, MD**  
**Resident, OUHSC Department of Ophthalmology**  
**Dean McGee Eye Institute**

**Professional Practice Gaps:** Physicians/faculty lack current medical knowledge and preferred practice patterns outside of their area of current and/or subspecialty expertise.

**Learning Objectives:** Upon completion of this session, participants will improve their competence and performance by being able to:

1. Identify the differential diagnosis and appropriate initial workup for the discussed rare findings.
2. Recognize the differential diagnosis and treatment for discussed ophthalmology cases.
3. Design an appropriate treatment and/or referral plan for the discussed cases.

### Disclosure & Mitigation Report

The University of Oklahoma College of Medicine and the Irwin H. Brown Office of Continuing Professional Development must ensure balance, independence, objectivity and scientific rigor in all its accredited CE activities. We have implemented a process where everyone who is in a position to control the content of an educational activity has identified to us all financial relationships with ineligible companies. In addition, should it be determined that a relevant financial relationship exists, this must be mitigated prior to the activity. This policy is designed to provide the target audience with an opportunity to review any affiliations between the CE planners and presenters and ineligible companies for the purpose of determining the potential presence of bias or influence over educational content. The following is a summary of this activity's disclosure and mitigation information.
